## recent installations

Do you have images of recent installations? Send them through, ensuring the file is named with the product that was installed and you have asked for the customers permission and we will include this on your store profile page.

## in-store promotions

There are often times during non-campaign periods that stores like to run local based campaigns to drive more consumers into their showroom. This could be something along the lines of purchase X amount of hard flooring and get a free rug. If you are running any in-store promotions, we are able to mention this on your store profile page.

## customer testimonials

Have you received a good review from a customer? Send it through and we will place it on your store profile page so potential customers can see! Please ensure you have their permission to use their name.

## in-store images

Having internal photos on your page, will help potential customers get a feel for your store before they have stepped in the door.

## business awards

Let us know if you have won any local business awards and we will place these on your store profile page.

---

---

---

---

## social media

Is your store on Instagram or Facebook? If so, send us the link and we will feature it on your store profile page.

---

---

## video content or blogs

If you have created videos or blogs for your store send through the links and we will feature these on your store profile page.
