local sponsorships

If you sponsor any schools, sporting clubs or local charities, please list them below for them to be added to your store profile page, we would also suggest showing their logo as well.

recent installations

Do you have images of recent installations? Send them through, ensuring the file is named with the product that was installed and you have asked for the customers permission and we will include this on your store profile page.

in-store images

Having internal photos on your page, will help potential customers get a feel for your store before they have stepped in the door.

social media - Instagram

Is your store on Instagram? If so, send us the instagram handle as well as login details so we can feature the feed on your store profile page.
